Painless Extracting, 50c.

Perhaps your experience with dentists has been most satisfactory. You may have patronized one who did good work, but charged too much. Or possibly you went to one who didn't charge enough, but made his price low as an offset for lack of skill. Our association was formed to meet just such cases. Our fees are high enough to allow the best of everything at a fair profit—no higher. Come in and let us make an estimate.

Ripans Tabules.

Mr. R. L. Johns of Selma, Ala., is in the habit of buying Ripans Tabules at White's Pharmacy at Selma. When interviewed at the time of a recent purchase, Mr. Johns said: "Ever since I was in the army, where I contracted indigestion and dyspepsia from eating hard food and saw belly, I have suffered much from those and kindred ailments. A son of mine who clerks for J. N. Harter in a drug store at Winfield, Kansas, told me while home on a visit, over a year ago, that he got a box of Ripans Tabules and took them. I did, and in a very short time I was benefited, and by the time they were half gone, I was well, and since then I have felt better, and am doing more work now than I ever expected to do again. I tell you, they are the greatest medicine for a fellow's stomach I ever saw. This has led to me a neighbor of mine out by me in the country. We always have them at home, and I never hesitate to recommend them when a fellow complains about his stomach hurting him."

(Signed) "R. L. JOHNS."

Ripans Tabules are sold by druggists, or by mail if the price 50 cents a box is sent to The Ripans Chemical Company, 10 Spruce St., New York. Sample vial, 10 cents.

All Standard Homeopathic Remedies can be had here.

At this season of the year, when coughs and colds, as well as malaria, are so prevalent, we'd particularly recommend such efficacious remedies as Ripans' Mucous Membrane Tablets, No. 44 Compound Tablet and Dr. Haddock's Malarial Antidote.

THE SOCIAL WORLD

Hospitality Should Reign, as Hard Times Have Gone.

THE BRIDES OF THE COMING WEEK

Secretary and Mrs. Carlisle Will See the Horse Show.

PERSONAL NOTES

The congressional families who have homes here are fast returning, and the social population has grown largely since the day after election. Some are wreathed in smiles over the results and the rest are displaying resignation under adverse circumstances which is truly commendable. Now that there are to be no more "hard times," that convenient excuse for keeping one's income together, instead of allowing the wheels of industry to be stirred by it being gone, there is not the faintest reason for any one who can from entertaining and therefore from being entertained. Informal events are frequent and will become more so. The only stated invitations up to date are wedding cards, and these will continue to monopolize stationary contributions for another six weeks. A much to be commended plan is in force this season of announcing wedding dates a long time ahead, and the coming out parties are just as long planned ahead, and the suggestion of the date is quite a help to the bride and groom, contemplating pleasant disturbances of the same character themselves.

Tuesday next, at noon, at St. Andrew's, Miss Nellie May Foss and Mr. Charles Francis Jones will be married. The couple will reside in New York.

Miss Blanche Wilson, daughter of Chaplain David Wilson, U. S. A., retired, and Mr. Joseph H. Hampton of the City of Mexico will be married Wednesday next at the family residence. The bride's father, assisted by Rev. B. B. James of Baltimore, will perform the ceremony. Miss Elsie Bryan, the bride's niece, will be her only attendant. A wedding breakfast will follow the ceremony, and after a honeymoon jaunt through the east the couple will go to the City of Mexico to live.

At Hamline Church, Wednesday next at noon, Miss Lillie McClelland, daughter of Mr. John McClelland, and Mr. Charles W. Morris, Jr., will be married. The bride will be at home Tuesday in December at 1534 V street.

Wednesday evening at Christ Church, Georgetown, Miss Claudia Stuart and Mr. William J. Harden, Corps of Engineers, U. S. A., will be married. The bride is the daughter of Rev. Dr. and Mrs. Albert Rhett Stuart. The couple will live at Willets Point, where the groom is stationed. Bachelorette, assisted by Rev. Dr. Stuart, will officiate. The ceremony will be accompanied by a full orchestra. The bridesmaids will be Miss Alice Payne, Washington, Va.; Miss Lucy Matthews, Miss Daisy Blackford and Miss Eva Gilbert.

Miss Sophie Stuart will be maid of honor. The bride will come in church with her brother, W. C. Stuart of Newport News, and Dr. A. Rhett Stuart, Mr. Barnwell S. Stuart, Mr. Garret C. Stuart, Master Roger M. Stuart, and Mr. John P. Shephard will be ushers, with Mr. W. V. Ladue, Corps of Engineers; Mr. E. W. Van C. Lucas, Corps of Engineers; Mr. J. C. Curtis, 4th United States Artillery; Mr. Charles G. Sawtelle, 21st United States Cavalry, who will wear the bride's train.

Thursday at noon Miss Elizabeth S. Compton and Mr. Harold Baxter Rees will be married at St. John's Church.

Secretary and Mrs. Carlisle are going to New York Monday to attend the horse show as the guests of some Baltimore friends.

Dinners, luncheons and trolley and golf parties are making the last weeks of Senator and Mrs. Mitchell's stay at their Detroit home very busy ones.

Mrs. and Miss Delphi, who are now making a visit to Mrs. Philip E. Chapin, will go to New York for a while before returning to their home at Portland, Ore. They have been abroad the last year. Miss Delphi will be a debutante this winter.

The Business High School graduating class, '96, was entertained by Miss Daisy Hodgson last evening at her residence, 1000 street southeast. The sudden death of Mrs. William H. Philip at her country house of Talavera, near Claverack, N. Y., will deprive Washington society of one of its most brilliant and attractive personalities, and those who were in the circle of her friendship will be sorely missed. Mrs. Philip was so well known in Washington society that it is needless to recite her many attractive qualities. Only those who knew her well knew the genuine homeliness with which she had faced death for the past few years and devoted herself to her children—keeping the sorrow, which had at short periods desolated her life, hid under the attractive exterior which she always presented to the world. She will be missed in society here; still more at her beautiful home at Claverack, which she so loved and where she was beloved; still more by the few who had her intimate friendship and by the children whose happiness was her whole life.

Mrs. Geo. Gordon Abrams entertained about fifty of her friends at her beautiful home, Van View, North Takoma, last Saturday evening.
